# Developer Happiness

## Burnout, clean code, team and other stuff
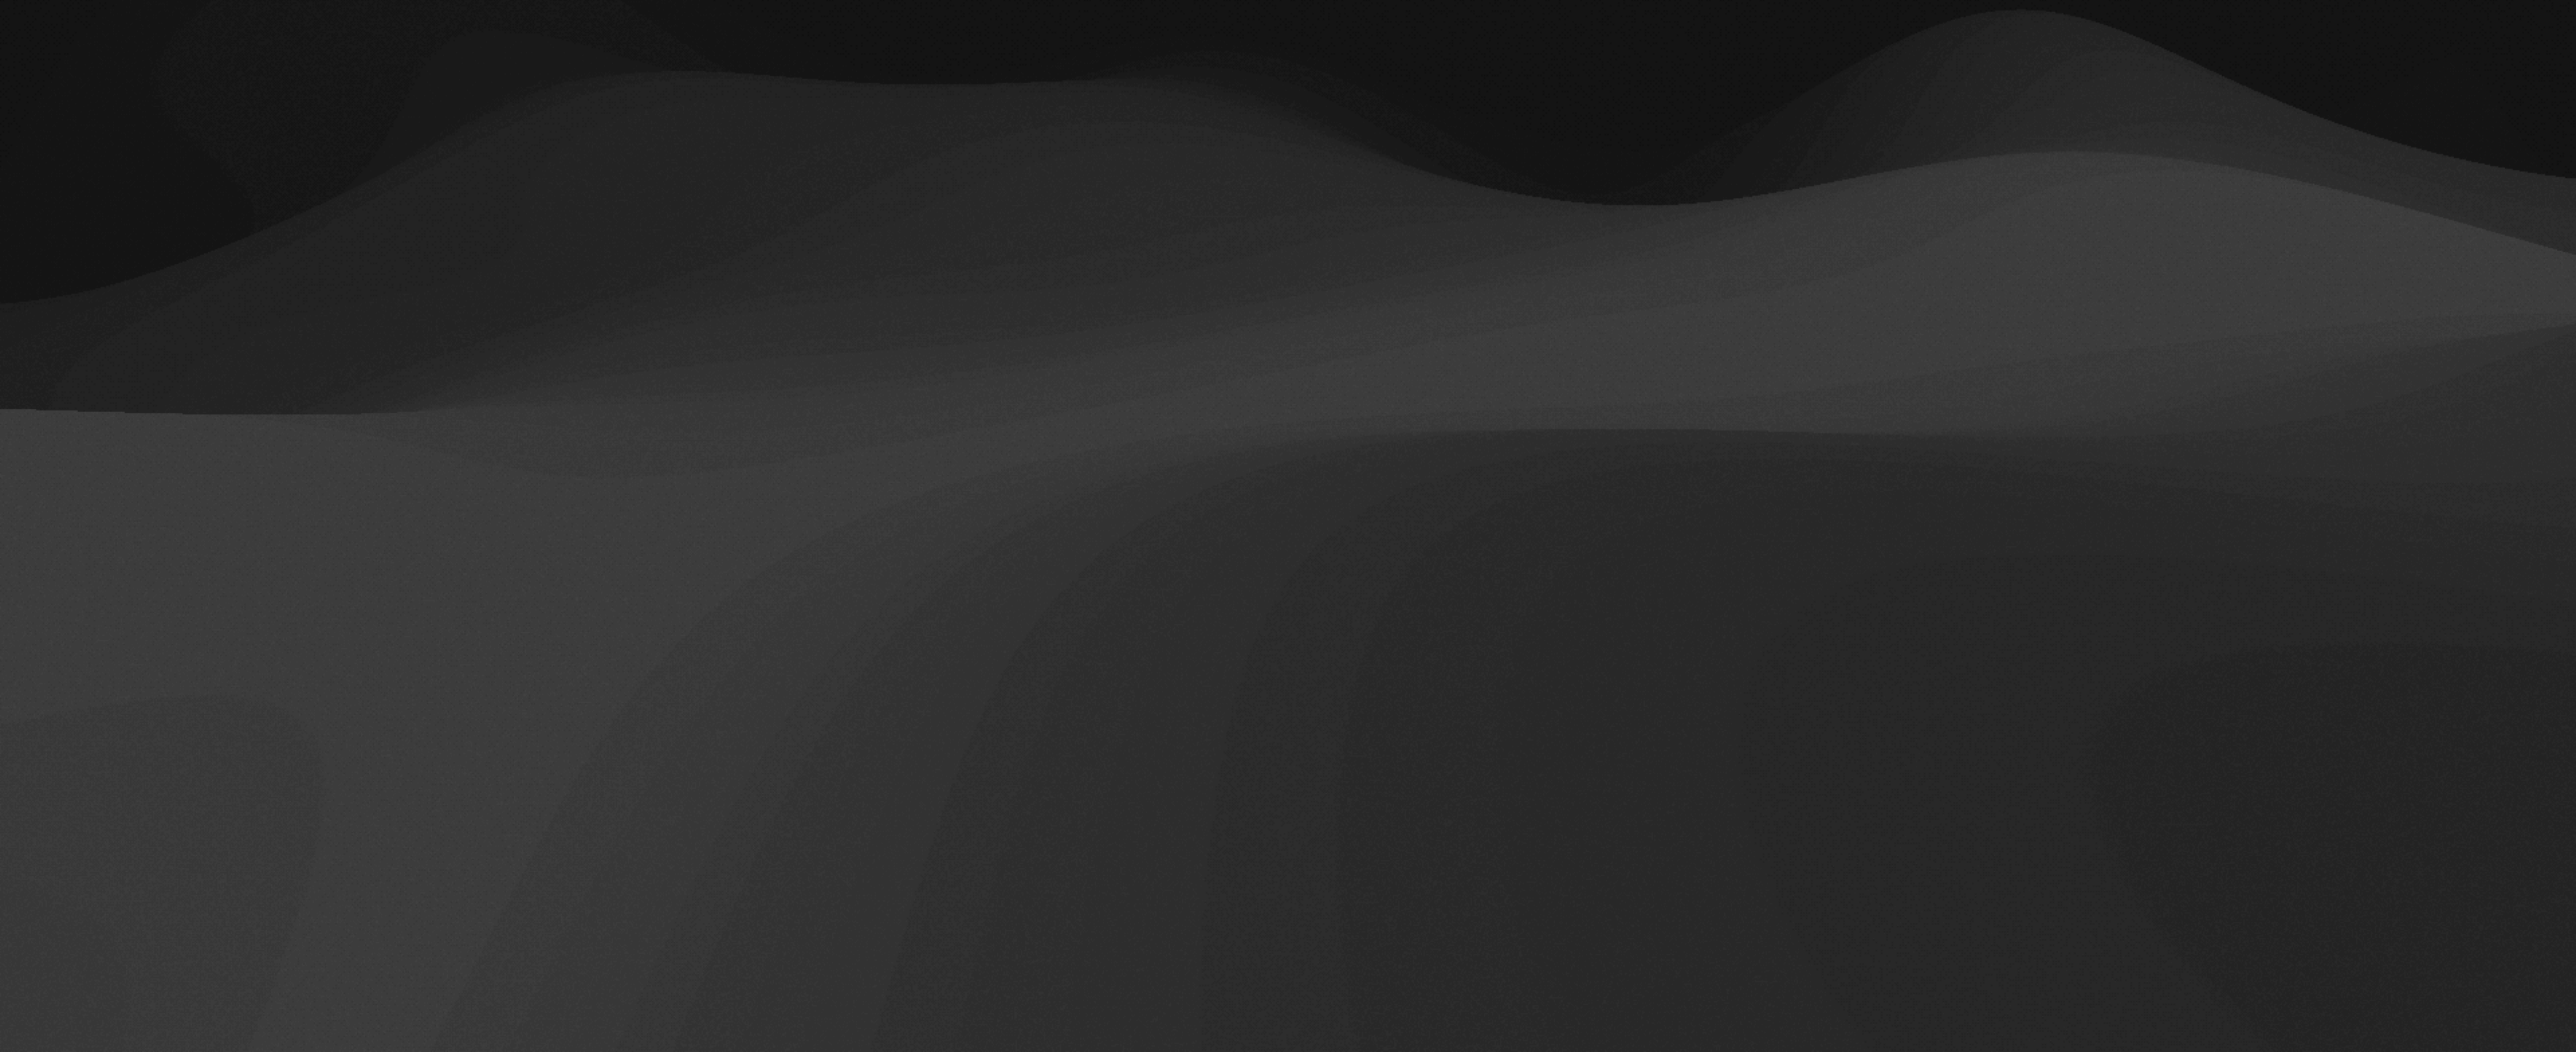

f-person (links.fperson.dev)

# Burnout

# Happiness?

**Why?**

# Happiness?

**Why? I am too smart to be happy.**

# The Team

# The Team

- Feels like a group of friends

# The Team

- Feels like a group of friends

- A small group of friends

# The Team

- Feels like a group of friends

- A small group of friends

- A good group of friends :)

# The Product

# The Product

- Makes you excited (at least, a little bit)

# The Product

- Makes you excited

- It's something you can actually understand

# The Product

- Makes you excited

- It's something you can actually understand

- Ideally, it's something you can use yourself!

Project Management™

Code base quality? 👀

# Thanks for listening!
